

WHY JOIN THE NURSELINE FAMILY?

YOU ARE NOT A NUMBER, YOU ARE PART OF OUR FAMILY

As unique individuals with different needs, we take the time to know you and understand what you need in regards to location, shift patterns and frequency of work.

SPECIALIST SERVICE: SPECIALIST TRAINING

We specialise in providing support to mental health and learning disabilities services. With a catalogue of specialist training courses in these fields available to you, you can be sure to have the right skills to support our clients with best practice and a person centred care approach.

AWARDS

Each year we are honoured to be able to recognise our dedicated nurses and support workers with an awards show! It's your opportunity to be recognised for the hard work you do and be nominated in categories including Nurse/Support worker of the year, Precision (Always on Time) and Newcomer of the year! The nominations come directly from our clients. Could it be you this year?!

SOCIAL EVENTS

These are opportunities to meet the extended Nurseline family and have some fun! We invite you to bring along your families and enjoy good food, many laughs and it is an opportunity for us to give our thanks for all you do.

24 HOUR SUPPORT

Working in the healthcare is a 24/7 job so it is important for you to know that you feel supported throughout this time. We have a 24 hour Placement and On Call team who are trained to support you at any time, day or night.

SUPERVISION

One of our nurses is available to provide supervision, in a safe and comfortable environment, so that you have the guidance and support you need. It is also an opportunity to develop your skills

REPUTATION AND CREDIBILITY

In 9 years of Nurseline, our reputation ensures we constantly increase the number of services who ask us to support them across the South West and more recently, the South East of England, opening multiple office locations. You can be recognised as being part of this growing team that is dedicated to changing healthcare for the better and making a positive impact on the lives of service users and their families.
