OUR THREE CORE VALUES ARE AT THE CENTRE OF OUR 'MAKE IT PERSONAL' CULTURE, WHICH DRIVES EVERYTHING WE BELIEVE, THINK, FEEL AND DO:

FAMILY:

We are respectful and courteous and treat each other and those we serve, how their family would.

We actively get to know and build relationships with each other, accept each other, embrace our differences and both value, and are accountable for the role that each of us plays in our overall mission.

We work collaboratively and demonstrate our loyalty to each other through protecting and supporting each other.

HONESTY:

We take personal responsibility at all times which means that we acknowledge our weaknesses, put our hand up when we make mistakes, apologise when we are wrong, actively seek and embrace feedback and ask for help when we need it.

We are open to change, receptive to new ideas and possibilities and we respect and embrace our colleagues and service providers as our teachers.

We do what we say we're going to do.

QUALITY:

We continually strive to be the best we can be and so we invest in training to develop our knowledge, skills.

We consistently evaluate how we are doing, are both proactive and responsive to our clients needs, go above and beyond.

We are highly engaged in what we aspire to achieve and in the work we do to achieve it.
